# Discover Hidden Kyoto in Fushimi by high school students from Kyoto

## Gekkeikan Ōkura Sake Museum

This is a facility where visitors can learn about the history of sake brewing. Traditional tools and materials are on display, and guests can enjoy sake tasting is after the program.

## Gokononmiya Shrine

The spring water in the shrine is used by local sake breweries in Fushimi, contributing to the unique flavor of their sake.

## Daichu Ramen

It features a rich tonkotsu soy sauce broth, and a variety of toppings allow you to customize your bowl to your taste.
