What is the 'kokoka Family Program' ?

The citizens of Kyoto volunteer their time and resources to invite international students to join them in local activities and help them better acclimatize to life in Japan. They are also able to provide advice about living in Kyoto and are a great source of emotional support for these students. ※ This is not the home-stay program

About the Matching System for Families and Students

We will match you with a host family after reviewing your hobbies, location and other factors. Matching is done twice per year, and a match is valid for 6 months. You can continue interacting with your family after the program period ends.

You must attend!! The match meeting is on Sunday, May 31

Who can apply ?

- All international students enrolled at a university. (including campus in Shiga)
- The students who have **more than 6 months left** to stay in Kyoto when applying.
- Students who are interested in positive interaction with kyoto City citizens are especially encourages to apply.

How to apply ?

Please apply from the web site
